

## STORM RECOVERY PROJECT INFORMATION

The Department of Environmental Conservation has developed a new web gateway (<http://www.dec.ny.gov/lands/90699.html>) to serve as a one-stop location for information for permittees undertaking construction on the coast or near coastal areas impacted by Super Storm Sandy. Now that construction season has arrived DEC anticipates work will be undertaken with increasing frequency.

### **PLEASE NOTE:**

Remember, you must **notify the Department of the beginning of your work** by sending an email to one of the following:

Nassau and Suffolk Counties: [sandyr1@gw.dec.state.ny.us](mailto:sandyr1@gw.dec.state.ny.us)

New York City: [sandyr2@gw.dec.state.ny.us](mailto:sandyr2@gw.dec.state.ny.us)

Westchester and Rockland Counties: [sandyr3@gw.dec.state.ny.us](mailto:sandyr3@gw.dec.state.ny.us)

You are also required to take photographs of all relevant structures and site conditions PRIOR to performing any work authorized by this permit AND immediately upon completion of work. Within 21 days of completion of work, a copy of the photographs, and a copy of the Notice of Intent must be submitted to:

NYS DEC REGION 1 (Nassau and Suffolk Counties)

Bureau of Habitat-TW, Storm Damage Team

50 Circle Road, SUNY @ Stony Brook

Stony Brook, NY 11790

NYS DEC REGION 2 (New York City)

Regional Permit Administrator

1 Hunter's Point Plaza

47-40 21st Street

Long Island City, NY 11101-5407

NYS DEC REGION 3 (Westchester and Rockland Counties)

Regional Permit Administrator

21 South Putt Corners Road

New Paltz, NY 12561-1696

You must ensure that those doing the actual work understand and comply with all terms and conditions of the General Permit. Contact the Regional Permit Administrator listed below if you have questions or encounter unforeseen problems during the course of the work.

Please share this information with your contractor to remind them of the importance of following permit conditions to rebuild in a safe and sustainable manner.

Here is the contact information for the **DEC Regional Permit Administrators** who are available to assist you with and respond to questions regarding specific projects and any issues or concerns regarding these permits and the associated work.
