## Application for removal of Tree(s)

Name:

Address:

Phone No:

Is the request due to a proposed construction: Yes  No

Is the request due to a proposed sub-division: Yes  No

### Please list the number of trees being removed:

Evergreen: Number of

(For evergreen trees, permits are required if the tree exceeds 24 inches in circumference. Measured 3 feet from the ground)

Deciduous: Number of  (Oaks, Maples, etc)

(For deciduous trees, permits are required if the tree exceeds 45 inches in circumference. Measured 3 feet from the ground)

- If trees are within 15 feet of the perimeter of a structure –permit is not required.
- If the tree is dead, permit is not required.
- Please explain why the trees have to be removed as well as sketch the area where the trees are located on your property on the back of the permit application.
- Mark the trees that you are requesting to be removed, so the Conservation Committee will be able to identify and review the trees.
- No fee is required for a “Tree Permit”.

Thank you
