Trustee Jablonski	AYE
Trustee Ettinger	AYE
Trustee Burke	AYE
Mayor Letica	AYE

Motioned Carried.

Mayors Report: Mayor Letica reported, “I would like to thank the Asharoken Garden Club for their very generous donation of \$750 to help the Village buy oysters to restock Duck Island Harbor this year. Village Emergency Manager Bill Raisch accepted the donation at the AGC’s annual luncheon. Last year, Bill spearheaded a plan to grow the baby oysters on the marine signs and then distribute over 5000 of them into Duck Island Harbor in early October.

After extensive conversations with PSEG, I am happy to report that they have agreed to make some modifications to the power grid in Asharoken and Eaton’s Neck to make our electrical service more reliable. Bevin Road will have a redundant service and will be able to remain energized if the rest of EN needs to be turned off. The planned modifications are described below from an email I received from PSEG:

1-The first project scope includes extending the current underground cable approximately 1 mile from Bevin Road to North Creek Rd via directional drill. This project will also install a switch located just west of Bevin Road and a supervisory smart switch, with sectionalizing capabilities, at North Creek Rd.

46 If there are future faults on the underground system, there is switching redundancy to restore
47 power faster. If there are faults on the overhead system, the redundancy will reduce the number
48 of customers that will experience an outage. Estimated construction start is Q1 2024.

49 2-The second project scope is replacing the overhead switch feeding Asharoken and EN with a
50 newer smart switch that will be configured to help improve and reduce momentary outages (<5
51 minute outages). Estimated construction start Q2/Q3 2023.

52 I have several important items to report on the seawall. The Village finally received the Grant
53 Distribution Agreement for the \$50,000 grant that Assemblyman Keith Brown got for
54 Asharoken. As soon as the final document is returned from NYS the Village and Town will
55 commence a plan to shore up the area of the collapsing sheet steel and sink hole.

56 Additionally, on April 28th Trustee Ian Jablonski, Clerk Michelle Glennon and I met with the
57 NYS Department of Transportation for a Local Project Initiation Meeting for the \$1,000,000
58 earmark that Senator Schumer and Congressman Suozzi obtained for the Village. This meeting
59 reviewed all of the steps required to access the money. There were two major takeaways from
60 the meeting. This is going to be a very complicated and long process that is likely going to take
61 several years to complete. There is also a local share of \$250,000. The Village plans to work
62 with the Town of Huntington and NYS to help with this obligation.

63 The Village received final approval of the \$100,000 grant that former State Senator Jim
64 Gaughran acquired for Asharoken. I met with a paving company this month to get a rough
65 estimate on the cost of resurfacing the road. It appears that between the grant and Village CHIPS
66 money the cost of the project could be fully covered. The next step is to bid out the project.

67 **Trustees:**

68 Trustee Ettinger: During the past month, I continued to have numerous meetings and conversations
69 with Officer-in-Charge Ray Mahdesian regarding a number of police related matters and once again,
70 I am happy to report that the police department had another “good month”, which Officer-in-Charge
71 Ray Mahdesian will comment on shortly, in his monthly report.

72 I am very happy to report that the new Ford Interceptor Police Vehicle that we ordered in October,
73 2022 has finally arrived on Long Island and is now being fitted-out with the Asharoken Police car
74 markings and the various after market electronics that we ordered. We are expecting to have the
75 new car in service sometime in May... Keep your fingers crossed!

76

77 Some other matters that I was involved in during the month are as follows:

- 78 • I reviewed the MS4 Storm Water Report that we will be discussing and voting on tonight,
- 79 • I also reviewed the Revised Local Law regarding Fences, that we will also be discussing and
80 voting on tonight,
- 81 • I also reviewed some correspondences that we received from some of our residents,
- 82 • I also reviewed the foils that were received during the past month,
- 83 • I also reviewed last month’s BOT Regular Meeting’s Minutes, and finally
- 84 • I also reviewed this month’s Abstracts for the Payment Vouchers.

85

86 Trustee Burke: I reviewed the vouchers, police report, minutes, stormwater report, fence code
87 amendment and worked on the noise ordinance.

88

89 Trustee Jablonski: During the month; I reviewed, the minutes, payment vouchers, police report,
90 stormwater report, the fence code amendment and worked on the noise ordinance. I also attended
91 a meeting with the NYS DOT.

92
93 **Attorney Migatz:** The Zoning Board met on April 25th, they had one case on their agenda, John &
94 Lori Murn, 276 Asharoken Avenue. Seeking a set back variance to construct a new 3 detached car
95 garage with a second story for storage and that was granted. The Planning Board did not meet and I
96 still have no date for argument on the dock litigation in the Appellate Division.

97
98 **Village Treasurer:** Emily Hayes reported for the month of April. The village surprisingly received a
99 \$17,440.03 check from a Monsanto class action suit. Payment vouchers totaled \$27,661.30. There
100 will be a separate resolution to approve the vouchers and budget transfers.

101
102 **Police Report:** Officer Mahdesian reported 63 summons for April, which was more than usual. The
103 highest speed summons was for 64 miles per hour. Officer Mandesian reported that the Northport
104 Police Dept had chased a car stolen from Harrison Drive. The perpetrators were caught and
105 discovered to be two 15 year old kids from Huntington Station. The police department is waiting for
106 the new vehicle, Asharoken is in good shape.

107
108 **Superintendent of Buildings:** Doug Adil reported the following: issued denial letter for a garage
109 addition at 276 Asharoken that moved forward, reviewed plans for an addition at 45 Asharoken
110 that were sent back for changes, came back and were accepted for a building permit. Responded to
111 an inquiry of plans for a generator at 218 Asharoken, which was approved for a building permit.
112 Reviewed a site plan for a deer fence on Asharoken Ave, which was also approved for a permit.
113 Performed foundation inspections along with the Deputy Building Inspector at 279, 219, 122 and
114 399 Asharoken.

115
116 **Public Hearing: Stormwater Annual Report for year-end 3/9/2023.**
117 Clerk Glennon read the publication.

118 Mayor Letica opened the public hearing.

119 No comments were made on the stormwater annual report.

120 Mayor Letica made a motion to close the public hearing, seconded by Trustee Ettinger.

121 Trustee Jablonski AYE

122 Trustee Burke AYE

123 Trustee Ettinger AYE

124 Mayor Letica AYE

125 Motioned Carried.

126
127 **Public Hearing:** Proposed Local Law #2-2023 amending Section 125-10.1 entitled 'Fences'.
128 Clerk Glennon read the publication.

129 Mayor Letica opened the public hearing.

130
131 A resident asked if the law would be in effect exo facto or only going forward? The Village Attorney
132 responded that it could only be in effect going forward.

133
134 Another resident expressed his concern over a personal fence encroachment issue. The options
135 open to the resident were reiterated by the Village Attorney.

136
137 Mayor Letica made a motion to close the public hearing, seconded by Trustee Ettinger.
