As I communicated earlier in an email, Bevin Road will be closed for 36 about 5 hours a day for two days to complete the project. The closure is planned from about 9am -37 2pm. The homes closest to Asharoken Avenue will have more access as the work will start at the 38 intersection of Bevin E/W and continue to the Avenue. Trustee Ian Jablonski is coordinating this 39 project and will have more information for the Bevin residents later this week. 40 In 2017 two Village property owners applied for dock permits for their homes in the Ida Smith section of Northport Bay. After a thorough review by the Environmental Review Board, the Board 41 of Trustees decided to deny both dock permits. The denial was based on the negative impacts the 42 docks would have on the environment as enumerated in the Village Code. The property owners 43 44 subsequently sued the Village to have the Board decision overturned. In September of 2019 the 45 Supreme Court, Suffolk County ruled in favor of the Village. The property owners subsequently appealed the lower court decision. This week the Appellate Court upheld the lower court decision 46 47 and ruled in favor of the Village. In the decision the Court wrote, "The Board's determination also 48 did not violate the petitioners' riparian rights, as the Boards determination enforced the Village

- Code, which constituted a reasonable restriction of those rights." I would like to thank the Village
- Attorney Bruce Migatz for successfully representing the Village in this matter.
- On May 1st the Village met with the DOT to resume conversations as to how to access the Senator
- 52 Schumer \$1,000,000 earmark to fix the most damaged 200 feet of the seawall. The meeting was
- very productive, and the Village expects to get moving on this process in the next few weeks.
- 54 This Friday the Village will hold a summit meeting on the seawall. Invitees include the USACOE,
- 55 NYSDEC, NYSDOT, Huntington Highway, State Senator Mattera, State Assemblyman Keith Brown
- and Suffolk Legislator Stephanie Bontempi. Representatives from Senator Schumer's office and
- Huntington Supervisor Ed Smyth's office are also expected. I will report next week on the outcome
- 58 of this meeting.
- 59 I would like to thank Carole Cassamasima, Linda Letica and Kerry Kruckel for all of their hard work
- to raise \$11,000 for the 4th of July Fireworks.
- 61 Lastly, I would like to thank resident Bob Hoey for bringing in 6 Sea Scouts who did a beach cleanup
- 62 last Saturday. The Village will award the participants community service awards at the next BOT
- 63 meeting.

Trustees:

- 65 Trustee Ettinger: During the past month, as usual, I had numerous meetings and conversations with
- 66 Officer-in-Charge Ray Mahdesian regarding a number of police related matters.
- 67 On April 26th, at the request of Mayor Letica, I attended a Webinar, sponsored by Congressman
- 68 Nick LaLota' office, regarding the FY25 Federal Community Grant Funding Options, to see if there
- 69 were any potential grants that would be available for our Police Department. Fortunately, I was
- advised that there was an opportunity for us to apply for a Grant for Police Patrol Vehicles. Over the
- 71 next few days, with the help of Deputy Mayor Pam Pierce, Officer In Charge Ray Mahdesian and
- 72 Mayor Letica, we submitted a Grant Request for two (2) fully outfitted Police Cars, totaling
- \$150,000 to replace our two oldest police cars. Let's keep our fingers crossed that we are
- successful and that we are awarded the monies for the grant!!

On behalf of the Village, I want to express our sincere thanks to Congressman Nick LaLota for giving us this opportunity, and also to Deputy Mayor Pam Pierce, OIC Ray Mahdesian and Mayor Greg Letica for all their help in submitting the Grant.

In addition, I reviewed the MS4 Stormwater Annual Report that we will be discussing tonight, I also reviewed the decision of the Appellate Division affirming the lower court's decision upholding the Village's denial of the two dock permit applications. I would like to thank our Village Attorney Bruce Migatz for a job well done, I also reviewed some correspondence and foils that we received, last month's BOT Regular Meeting's Minutes and this month's payment vouchers.

Trustee Burke: I reviewed six proposals submitted from the Engineering Firms for partial seawall redesign and restoration, the police report, minutes from the prior meeting, Attended LI Clean Water Symposium at the Northport Yacht Club on April 18, and attended the DOT meeting with the Mayor and the Village Clerk on May 3rd, as mentioned in the Mayor's report.

- 91 Trustee Jablonski: During the month; I reviewed the minutes, payment vouchers, police report, 92 stormwater report, attended the paving company meeting and helped coordinate the Bevin Rd 93 closures.
- 94 Village Treasurer: Emily Hayes reported for the month of April. Payment youchers totaled 95 \$61,364.33. There will be a separate resolution to approve the vouchers.
